

## COVID-19 GUIDELINES

Prism Annapolis is the perfect space to host a gathering for its large space, allowing guests to spread out. We have provided sanitizing stations throughout and have multiple ADA restrooms for guests to wash their hands. We ask that you do your part to keep your fellow guests and our venue staff safe by considering the following:

- Stay home if you do not feel well
- Wear a mask when possible
- Be considerate of vulnerable populations
- Wash your hands frequently for 20+ seconds
- Use hand sanitizer when touching shared items
- Avoid touching your face, nose, mouth, + eyes
- Cover your coughs/sneezes
- Stay 6 ft. apart when possible, avoid crowding

## THANK YOU!

*It is up to the discretion of each host to determine their own mask requirements, proof of vaccination, or proof of negative COVID test upon entry. Check with your host to plan ahead.*
